

## Asset manager authorisation for occupational pension scheme

Zurich, February 3<sup>th</sup> 2015

Esteemed Customers,  
Dear Sir / Madam

The *Supervisory Commission for occupational pensions* (OAK BV) has informed us, that after detailed examination they have granted our request of 2014, and have given us permission to **manage assets in an occupational pension scheme**. This authorisation is initially limited to three years.

Thanks to this authorisation, we are now legally permitted to manage pension fund assets in accordance with the guidelines of the Supervisory Commission. All pension funds that have relied upon our track record up to now and who want to know that the pension fund assets entrusted to them are invested as optimally as possible, can benefit from this new range of services offered by Helvetic Trust AG.

Should you require more detailed information, we remain at your disposal in person or by telephone on +41 (0)44 215 17 17.
