Investment policy

The investment objective of the fund is to achieve long-term capital growth through actively selected investments ("stock picking") in the Swiss equity market. The fund invests in shares of companies included in the reference index "Swiss Performance Index Total Return" ("SPI TR"). The SPI TR reference index defines the investment universe of the fund. The fund follows a long-term, active investment style based on fundamental company analyses and macroeconomic assessment criteria. Earnings are reinvested (accumulating).

This document is a marketing communication. This document is intended exclusively for qualified investors pursuant to Art. 10 para. 3 and 3ter of the Federal Act on Collective Investment Schemes ("CISA"). It constitutes neither an offer nor a recommendation to buy or sell investment funds. The information is subject to change at any time. This information does not take into account the specific or future investment objectives, the tax or financial situation or the individual needs of the individual recipient. The information in this document is provided without any guarantee or assurance, is for information purposes only and is intended solely for the personal use of the recipient. Investments in the fund should only be made after a thorough study of the current prospectus with integrated fund contract. Units of the Fund may be unsuitable or unlawful for sale in certain jurisdictions or to certain classes of investors and may not be offered, sold or delivered within the United States. The price and value of the investments and any income from them may fluctuate. Investors must be prepared and in a financial position to absorb (possibly substantial) price losses. Past performance is no guarantee for current and future developments. The performance data does not take into account the commissions and costs charged on the issue and redemption of units. The legal fund documents are available free of charge from LLB Swiss Investment AG, Claridenstrasse 20, CH-8002 Zurich or on the website www.swissfunddata.ch.
